

## 100 Miles

Bad Company

Hey little girl, I love you so  
I'd walk a hundred miles to let you know  
Hey little baby, your eyes sure shine  
When your hand reaches out and touches mine

'Cos you're my baby, you're my baby, my little girl

Hey little girl, let me kiss your lips  
Let me feel you thrill to my fingertips  
Hey little baby, let me take your hand  
Let me lead you to the promised land

'Cos you're my baby, you're my baby, my little girl

Hey little girl, I love you so  
I'd walk a hundred miles to let you know  
Hey little girl, I love you so  
I'd walk a hundred miles to let you know
