Crazy Circles

Bad Company

Life is like a merry go round painted horses riding up and down Music takes you and you're gone again Crazy circles never seem to end

Oh I will face the sun Leavin shadows for behind And together we'll go on Through time oh yeah

Life is like a game of chance Some find riches and some romance Some find happiness and some find sorrow Some find it today and some maybe tomorrow

Oh I will face the sun Leavin shadows for behind And together we'll go on Through time oh yeah

Life is like a carousel you aim for heaven And you wind up in hell To all the world you're livin like a king But you're just a puppet on a broken string

Oh I will face the sun Leavin shadows for behind And together we'll go on Through time oh yeah

Life is like mm and the life is like mm
Crazy circles goin round and round
Crazy circles round and round and
One day you're up and the next day you're down
Life is like a merry go round
