

Dance With the Devil

Bad Company

With just one look my body shook
You made me ache, shiver and shake
My blood is hot, I'm in a trance
For what you've got I wanna take a chance

Dance with the devil
I want ya, yes I do
Dance with the devil
And the devil is you

My mind's on a twist I can't resist
Your sugar thighs got me hypnotized
I'm obsessed, I want to possess your love tonight

I wanna dance with the devil
I want ya, yes I do
Dance with the devil
And the devil is you

Baby, I'd sell my soul
To hold you tight tonight
And never let go
No no no no no no no

I wanna dance with the devil
I want ya, yes I do
Dance with the devil
And the devil is you
And the devil is you
And the devil is you

I wanna dance with the devil
And that devil is you
Got me so, so confused
