

Don't Let Me Down

Bad Company

If I had a love that was so true
Then I wouldn't have to make do
With the half a love that I have found
That is tearin' me down to the ground

Don't let me down, don't let me down
Don't let me down, tell me love can be found

If I had a love that was so real
And who would know the way I feel
I want all your love today
Just to keep me from fading away

Don't let me down, don't let me down
Don't let me down, tell me love can be found

Don't let me down, don't let me down
Don't let me down, tell me love can be found

I know, I know, I know, I know
Don't let me down, don't let me down
Don't let me down, tell me love can be found

Don't let me down, don't let me down
Don't let me down
