

Waiting on Love

Bad Company

Oh yeah, oh yeah

You drive me crazy, every little thing about you
Can't get you out of my head
And when I'm with you, nothing seems to really matter
And every word that you say

I know our names ain't carved in stone
But right now I can't leave you alone
Infatuation's taken hold on me
I can't let him go, I won't let him go

How long have I been waiting on love
Now that I've found you, I can't get enough
How long have I been waiting on love
I've been waiting for somebody like you

You know I've been waiting

I always wanted someone to believe in me
Someone to show me the way
You came along and shone light into my darkness
You know, it set me free

I know our names ain't carved in stone
But right now I can't leave you alone
Infatuation's taken hold on me
I can't let him go, I won't let him go

How long have I been waiting on love
Now that I've found you, I can't get enough
How long have I been waiting on love
I've been waiting for somebody like you

I've just got to let you know
Someone I wish to hold just to let my feelings show
Never gonna let this slip away
I'm asking you to stay, yeah, yeah

Now that I've found you, oh

How long have I been waiting on love
Now that I've found you, I can't get enough
How long have I been waiting on love
I've been waiting for somebody like you

Yeah, you know I've been waiting
You know I've been waiting for somebody just like you
I've been waiting, waiting, waiting
Waiting for somebody just like you

For somebody, for somebody
I've been waiting, I've been waiting
Now that I've found you, I ain't gonna let you go
... for somebody, body, body, body
Body, body, body, body, body, body, body
Somebody just like you

I've been waiting for somebody
For somebody just like you
