Hey, Bad Gyal

Is an unknown feeling when we touch  
Never felt like this before  
Let me dance it just for you  
Boy you're gonna fall in love

Is an unknown feeling when we touch  
Never felt like this before  
Let me dance it just for you  
Boy you're gonna fall in love

Porque te quiero ver  
Bebé, come close to me  
Is an unknown feeling when  
You step me out of me  
Porque te quiero ver  
Bebé, come close to me  
Is an unknown feeling when  
You step me out of me  
Is an unknown, feeling, feeling, feeling, feeling  
(Is an unknown, is an unknown)  
Is an unknown, feeling, feeling, feeling, feeling

Is an unknown feeling, yeh  
This is an unknown feeling  
When we are dance we're doing this feeling, yeh  
We're doing this feeling  
[?] booty no time no mean it, no (no time no mean it, yeh)  
We say: no time no mean it  
Me and you together girl, that is the feeling  
This is an unknown feeling, let's go  
(Hey, Bad Gyal!)

When you dance you drive me crazy  
I can see you're falling in love  
Sabes que me gustas baby, lo que quiero es hacerte el amor  
My pussy got the tightness for sure  
And then I know how to tie you up  
You want me to come to your bed  
And then we ended;  
On the floor riding you crazy  
I can see you're falling in love  
I don't wanna be your wifey  
I just want to give a fuck to you  
I just want to give a fuck to you  
I just want to give a fuck to you

Is an unknown feeling, feeling  
(Bad Gyal, Bad Gyal)  
Feeling, feeling, is an unknown  
(To you, bebé, to you, papi)  
Feeling, feeling, feeling, feeling

Is an unknown feeling when we touch  
Never felt like this before  
Let me dance it just for you  
Boy you're gonna fall in love

Is an unknown feeling when we touch  
Never felt like this before  
Let me dance it just for you  
Boy you're gonna fall in love
