

Ruffalump / Beans

Bad Lip Reading

Hi
I want to be
A ruffalump
Whatever that means
I wanna be ruffalump me
Ruffalump me
I wanna be the Ruffalump of Sound!
I want beans! Ooh!
Oh, oh, oh, yo-ho-ho-ho

I want beans!
I want beans!
In my ice creams
And every nut soap
Jerome!
Here we go!
Woah, woah!
(Wow, he's so fast)

Hold the glowcaine
There goes the rain
As you can see, it wasn't really raining

A space man dreams of forgotten voids
And reaches out for a distant star
Sold my friend's pinky to buy a new jar

Oh, I love beans!
(Who's got those beans?)
I've got some beans!
(Who's got those beans?)
They've got some beans!
Hey man, how do I buy some of those beans again?
En fuego!
Love beans!
