

## Big 5

## Bad Manners

Come over, get me brush up  
Going to rub a pussy here tonight  
Heavy rain falling  
I can feel my [horn burst] getting stiff in hand  
Spunky, spunky night in Big Five  
Spunky, spunky night in Big Five  
It's gonna be pussy versus cocky tonight  
It's gonna be pussy versus cocky tonight  
Right now I'm feeling irie  
Want a big, fat pussy this December night  
Today I smoke an ounce of weed  
Tonight I'm gonna plant a seed  
In her wump, alright  
Spunky, spunky night in Big Five  
Spunky, spunky night in Big Five  
It will be squeaking all over the bed  
I'll be water all over her head  
How many times i begged her  
To let me love, kiss and caress her  
And to think that now she comesbeg me to do it for her  
I'm gonna jook her with vengeance tonight, oh yeah  
Right now I'm feeling irie
