

# Samson and Delilah

Bad Manners

Every single day  
I'm waiting by my phone  
Since you've gone away  
It's lonely sleeping on my own  
Out of luck  
We had a lover's rot  
Like so many lover's had before  
Had to smile  
Just for a little while  
When I saw you  
Walking through the door  
Just like...  
Romeo and Juliet  
Samson and Delilah  
(I'm on fire)  
Romeo and Juliet  
Samson and Delilah  
(I'm on fire)  
When I hear you say  
(You say)  
Our love is going wrong  
Fills me with dismay  
(Dismay)  
Because we've been together for so long  
Don't you know?  
You didn't have to go  
You thought I didn't love you anymore  
But we were out of luck  
We had a lover's rot  
Just like a million others have before  
Like:  
Romeo and Juliet  
Samson and Delilah  
(I'm on fire)  
Romeo and Juliet  
Samson and Delilah  
(I'm on fire)  
What's it all about?  
You say I'm out of line  
In and out  
And in and out  
We had a really really really  
Good time  
I will change my ways  
If you come back  
To stay  
(Dig it)  
(Dig it)  
Romeo and Juliet  
Samson and Delilah  
(I'm on fire)  
Romeo and Juliet  
Samson and Delilah  
(I'm on fire)  
Don't go away  
Promise me you'll stay  
Delilah

Delilah...  
Don't ever stop  
Take me to the top  
Delilah  
Delilah...  
Look into my eyes  
I want to hypnotize  
Delilah  
Delilah...  
Delilah?  
Delilah?  
You can't cut my hair...  
'Cause I haven't any there!  
I'm still in love...  
With you  
Delilah :-)
