

Can't Be Mine

Bad Nerves

Do you never learn? Are you listening?
You got to act right
You got a really, got a good thing going
But do we ever stop when we're feeling it?
Stop and I'll stop it now, can't stop it now
'Cause it's a mystery of something more, yeah

You can't be mine, you can't be mine (why?)
You can't be mine, no you can't be
Cannot be yours, cannot be yours (why?)
Can not be yours, baby I can't

Sitting on your own in your room again
And there must be some pill that I can take for this
Wouldn't it be nice to get some company without the drama?
Wouldn't it be nice? Wouldn't it be nice?
I'll protect you from you

You can't be mine, you can't be mine (why?)
You can't be mine, no you can't be
Cannot be yours, cannot be yours (why?)
Can not be yours, baby I can't
You can't be mine, you can't be mine (why?)
You can't be mine, no you can't be
How was I supposed to know?

Believe me, you got ahead
There is a place where I should leave you in my head
And maybe no one can know
You've got to be honest
There is a place where I should leave you in my head

You can't be mine, you can't be mine (why?)
You can't be mine, no you can't be
Cannot be yours, cannot be yours (why?)
Can not be yours, baby I can't
