Bad Nerves

Watch out
They'll turn your brain to worm food
The daily dose of deadly violence
Ultra mind control
Waaaaahh

Falling for an ideology
No, I don't think that's who you want to be
Ultra mind control
Waaaaaaah

Deliver the people televised death
They all believe in these arguments
Deliver the people a violent threat
They all will leave Earth divided

No I can't think, got many bills to pay
No, I won't see my eye in mercury
Ultra mind control
Ultra mind cult
Ultra mind cult
Ultra mind control
