

Sorry

Bad Nerves

Oh baby help me understand
I know we let it all go sour
No I don't even know that man
I'm sorry I know I was awful
Can we turn it around?

Ahhhh
Ooooo
I'm sorry baby I was awful
Ahhhh
Ooooo
I'm sorry baby, I'm sorry

Oh girl you're lost in wonderland
And I'm sleeping in a garbage hotel
Oh well I guess I'll see you when I'm older
Somewhere on earth you're a stranger
Never turning around

Ahhhh
Ooooo
I'm sorry baby I was awful
Ahhhh
Ooooo
I'm sorry baby, I am

Can we turn it around?
Can we turn it around?
Can we turn it around?

Ahhhh, ahhhh
I'm sorry baby I was sad
I was broken
Ahhhh, ahhhh
I'm sorry
I'm sorry
I'm sorry
