

Do The Paranoid Style

Bad Religion

Hey, let's jump around
To the renegade sound
Of the paranoid style
Hey, get upside down
To the American sound
Of the paranoid style

Everybody have you heard the news
The old dance with wicked moves
It's been around for many years
So polish up your granddad's gear
And shake it, shake it, shake with fear
Waive your rights like you just don't care
Anyone can do it - it's easy if you dare

It's the paranoid style in American politics
Casey Jones you better watch your apocalypse
Illumination and fluoridation
Are communist plots against the population

Hey, let's jump around
To the renegade sound
Of the paranoid style
Hey, get upside down
To the American sound
Of the paranoid style

Hey kids on the right and left
Do you feel dispossessed
If you're on the left or right
I feel your pain tonight
So shake off reality
It's easy as you please
Soon everyone is dancing
Con-spir-a-tor-i-a-lly

It's the paranoid style in American politics
Casey Jones you better watch your apocalypse
All kinds of wild interpretation
Are open to the paranoid imagination

Hey, let's jump around
To the renegade sound
Of the paranoid style
Hey, get upside down
To the American sound
Of the paranoid style
