

It's Only Over When...

Bad Religion

You never know that feeling till you try that healing feeling c
an turn you all about and you can see the second wave of life t
hat losers triangle sets you down and out don't misread don't m
islead you could be your only friend but when the hammer comes
down and you don't hear a sound you can look all around and see
... that it's only over when you give up!
