

# Astral Plans

Bad Suns

Walk away  
Home is where no one wants to stay  
Strange days  
Plans falling through like acid rain

Hold me like it's over  
Treat me like a soldier  
Coming home from war to war

Oh, sweet  
What has my patience done for me?

Don't deceive me when you say "I'm sorry"  
Underneath it all, I blame both parties  
Don't believe me when I say "I'm fine"  
We both hate this, let's not fight it

Astral plans  
Don't ask me how I am  
Don't believe me when I say "I'm fine"  
We both hate this, let's not fight it

Disharmony  
Intentions of all kinds overlap  
Can't resist the pain  
This world is a Chinese finger trap

Hold me like it's over  
Treat me like a soldier  
Going off to war once more

Oh, sweet  
What has my patience done?  
My heart weighs a ton  
Oh, sweet  
What has my patience done for me?

Don't deceive me when you say "I'm sorry"  
Underneath it all, I blame both parties  
Don't believe me when I say "I'm fine"  
We both hate this, let's not fight it

Astral plans  
Don't ask me how I am  
Don't believe me when I say "I'm fine"  
We both hate this, let's not fight it

I love you  
That's why I'm walking away  
Oh, I love you  
That's why I'm walking away  
What a time to be alive

Don't deceive me when you say "I'm sorry"  
Underneath it all, I blame both parties  
Don't believe me when I say "I'm fine"  
We both hate this, let's not fight it

Astral plans  
Don't ask me how I am  
Don't believe me when I say "I'm fine"  
We both hate this, let's not fight it
