

# Symphony of Lights

Bad Suns

When you're in a bed of roses  
When your light turns blue  
Vision sliding out of focus  
Broken down and homeless  
I'll be there for you

When you feel every emotion  
When you want bad news  
And when you run out of devotion  
Running in slow motion  
I'll be there for you

If I just had the answer  
The answer, oh  
If I just had the answer  
The answer

Tell me what to do  
I'll be there for you

When it's going like we planned it  
When there's nothing to lose  
And when you're taking me for granted  
Help me understand it  
I'll be there for you (Yeah)

If I just had the answer  
The answer, oh  
If I just had the answer  
The answer, yeah

Tell me what to do  
I'll be there for you  
I'll be there for you  
I'll be there for you  
+Look towards the sky  
A symphony of lights  
We are alive  
I can see it in your eyes  
Look towards the sky  
We can make it if we try-y  
Yeah

If I just had the answer  
The answer, oh  
If I just had the answer  
The answer, oh

When you're in a bed of roses  
And when your light turns blue  
I'll be there for you  
I'll be there for you  
When you're taking me for granted  
Help me understand it  
I'll be there for you, ooh
