In my veins
Everyday same
What I felt
Low pressure
In my head
The other day
What I felt
Is
Depression
Depression

U could say
By my eyes
Boys don't cry
What I tell ya
I can feel
I can see
U don't need
More attention
From me

In my veins
Everyday same
What I felt
Low pressure
In my head
The other day
What I felt
Is
Depression
