

# Running Wild

Badda TD

"This for them real niggas and shit, you know them niggas that's always helping a nigga and ain't got nobody to help them."

Young niggas and we all on a mission young niggas and we all bout our businesses

Yea yea yea yea

I ain't gone lie

Could sit here and just tell you some real shit

My nigga died

And he never come up with a brick

They in denial

They snitching but the lord is good

My dawg he beat his trial

Some people say they love u cuz u up

They just disguise

My daddy lockdown but I don't gotta wonder why

The system tryna take all of my real niggas alive

I'm 17 the man but I don't look down on the guys

I coulda went to college but instead am running wild

This DG hold these mikes up but the racks still pull it down

They ask me why I go so hard cuz I just came from down

I always rode my own wave Never wanted to be down

Soon move my mom up out the hood and put a hunnid down

I gotta get a house Came chilling in the couch

We broke please watch ya mouth I came a long way from the drought

Damn I still think about all them days where it went south

Them niggas had to fall well we kinda put em down

We kinda put em down

U got guns well put em down

Cuz all them choppas make me smile

I ain't gon lie

Could sit here and just tell you some real shit

My nigga died

And he never come up with a brick

They in denial

They snitching but the lord is good

My dawg he beat his trial

Some people say they love u cuz u up

They just disguise

My daddy lockdown but I don't gotta wonder why

The system tryna take all of my real niggas alive

I'm 17 the man but I don't look down on the guys

I coulda went to college but instead am running wild

I ain't gon lie u the realist nigga

U the realist nigga

I ain't gon lie u the realist

I ain't gon lie u the realist nigga

U the realist nigga

I ain't gon lie u the realist

I ain't gon lie

My father kept a hundred hittas

And if he was home  
Then id b out here running with em  
I remember buying all that weed to flip a couple nickels  
I heard they spying on the team u gotta watch them niggas  
U gotta watch and learn the game on how to drop these niggas  
I'm tired of talking to Rell bout how we gone get bigger  
I'm tired of looking at my moms and say I didn't mean to  
This nigga switched up on the gang and said he didn't mean to  
Said how the fuck I'm supposed to get lit even if I didn't mean to  
I'm sorry that I stole your heart baby girl I didn't mean to
