For like everyday for a few weeks  
Wait for someone to take the bait  
He could be anyone's mistake  
Just say your boyfriend's out of town  
Don't let him bum a cigarette

Respect? No way!  
He's from California  
Show Up! Get laid!

Stop being phony, it's all in your head  
But does it take the pain away?  
You must be so exhausted
