## Badflower

Girlfriend  
I don't have that  
So I turn to  
The internet  
Your shit  
Yeah, I found it  
And I love you  
In that outfit

Your face is so fine  
Your body's a ten  
I'm probably less

Maybe like a seven, with the right filter...

I wanna see a picture of your situation  
I'm afraid that I'm just another victim of a generation  
It's a part of me, it's vanity, and honestly, I can't shake it  
I wanna see you naked  
I wanna treat you like a-

Girlfriend  
A companion  
And I feel you  
But it's my hand  
(Hahahaha!)  
Woman  
I'm creepin'  
I don't know you  
In person

Your face is so fine  
Your body's a ten  
I'm probably less

That's a little fuckin' harsh, isn't it?

I wanna see you shaking in your boots!  
Sucking on your fingers to music I made  
So you could fuck me to it!  
It's a fantasy, probably, but honestly, I can't shake it!  
I see the way you love it  
I want a picture of it

Oh my god  
I'm gonna fucking throw up

Oh, so vain  
Woman, behave  
Oh, so vain  
Woman, behave

I think I've seen enough of this  
I'm gettin' curious  
And rumor has it, your boyfriend  
He can't commit to shit!  
So let me taste that Ritz kiss

Because I'm dapper, and I'm a man of stature  
You let me be your master  
I'll let you fuck me after!

I'm sick of lurking on your shit like I'm a fucking loser  
I'm closing my computer, I'm comin' over to ya!  
I wanna see you naked  
I wanna feel you naked  
I wanna cut you open  
I wanna taste your blood!

My face is a five  
Your body's a ten  
I don't give a shit

Your face is so fine  
Your body's a ten  
I'm probably less

Girlfriend!
