

My kind of life is so much better when I'm making it fun
(I've been unhappy for, I've been unhappy for months)
And that side of me is just some evil social media cunt

Everybody sucks
But oh, they talk

I lost my wealth
He's riding the back of a limousine
Neglect my health
He medicates on the yayo and nicotine
I hate myself
You see his face in the page of a magazine
He's headed six feet deep in a hole
That guy is so rock 'n roll

You kinda like me so much better when I'm sassy and drunk
(Let me be wholesome for, let me be wholesome for once)
But I'll preach some anarchy and show the motherfucker who's boss

'Cause I don't give a fuck
Oh, they talk

I lost my wealth
He's riding the back of a limousine
Neglect my health
He medicates on the yayo and nicotine
I hate myself
You see his face in the page of a magazine
He's headed six feet deep in a hole
That guy is so rock 'n roll

(Oh my God)

Oh oh, oh oh
He's headed six feet deep in a hole
That guy is so rock 'n roll

Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na

I filled myself, I killed myself
And now I'm six feet deep in a hole
That guy is so rock 'n roll

(That guy is, that guy is)
That guy is so rock 'n roll
(That guy is, that guy is)
That guy is so rock 'n roll

I filled myself, I killed myself
And now I'm six feet deep in a hole
That guy is so rock 'n roll
