

Soap

Badflower

Sometimes I cannot be respectable
Sometimes I cannot be respectable
It's hard when you're looking so delectable
Sometimes I cannot be respectable

Soap, ha!

My dirty words
I need to get my mouth washed out
I need to get my mouth washed out
Oh, soap, soap

Sometimes I cannot be respectable
Sometimes I cannot be respectable
Oh, it's hard when you're looking so delectable
Sometimes I cannot be respectable

Soap, he-he.. soap

My dirty words
Oh, I need to get my mouth washed out
Let me get my mouth washed out
Soap, ooh, you soap

I need to get my mouth washed out
Let me get my mouth washed out
I need to get my... washed out
I need to get my mouth washed out!

Ah! I need to get my mouth washed out!
I need to get my mouth washed out!
Soap
