

# Swinging Hammer

Badflower

Ca-ca-ca-ba, everybody go, "Ahh!"  
I'm on a swinging hammer smashing up bananas  
I don't care if I don't ever get a handle on my swinging hammer  
I'm gonna swing my hammer in monkey onesie pajamas  
Blow up like Buddha, play my tuba to Bananarama

Get on my swinging hammer Tennessee to Alabama  
You will never understand 'til you walk a mile in my socks and sandals  
La-la-la-la-la-la, la-la-la-la-la-la  
I'm on a swinging hammer, ah

Go get your swinging hammer out  
Go get your swinging hammer now  
Go get your swinging hammer out  
Go get your swinging hammer now  
I got my swinging hammer out  
Go get your swinging hammer now  
Go get your swinging hammer out  
Go get your swinging hammer now

I spit my gibberish like a pufferfish, and I never st-st-stutter  
Could never be another, I am your bread and butter  
You spread me in, I'm spread too thin, I need a min, I need a hammer  
Look here a fancy camera, I'm finna smasharama  
Get off my new pajamas, I just bought these new pajamas  
Looking like my old pajamas, these are my new, new pajamas  
La-la-la-la-la-la, la-la-la-la-la-la  
I'm on a swinging hammer, ah

Go get your swinging hammer out  
Go get your swinging hammer now  
Go get your swinging hammer out  
Go get your swinging hammer now  
Go get your swinging hammer  
Go get your fucking hammer  
Go get your swinging hammer now  
I got my swinging hammer out  
Go get your swinging hammer now

Oh, oh-oh-oh, oh-oh-oh

I'm gonna play like cutting steaks 'til I pass away  
Don't take away my sticks, don't be a dick  
Just let me swing around my swinging hammer  
I'm never gonna swing like Chandler Bing in the one  
Where Phoebe sings about smelly cats that need  
Listerine and I have no friends, I smell no better  
I'm stressing out, we're making out and my dick is out  
And I'm finding out this song is about internal doubt  
I couldn't say it better  
My brain is beat and battered, served on a silver platter  
My mental health is shattered, I'm on a swinging hammer

Go get your swinging hammer out  
Go get your swinging hammer now  
Go get your swinging hammer out  
Go get your swinging hammer now

I got my swinging hammer out  
Go get your swinging hammer now  
Go get your swinging hammer out  
Go get your swinging hammer now
