

# Fire And Rain

Badlands

Oh oh oh oh, oh

Just yesterday morning  
They never know you were gone  
Susan, the plans they made put an end to you

I woke up this morning, and I wrote down this song  
I just can't remember who to send it to

Well, I've seen fire, and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend, yeah  
But I always thought that I'd see you again

Won't look down upon me Jesus  
You've got to help me make a stand  
I just can't make it through another day  
My body's aching, and my time, my time is at end  
I just can't make it any other way, yeah

Well, I've seen fire, and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend (yeah)  
But I always thought that I'd see you again

Sweet mamma you're gone

(Solo)

I'm openin' my mind to easier times  
My back turned to the sun  
Lord knows, when the cold winds blow  
It'll turn your head around

But there's only time on the telephone lines  
To talk about the good things to come  
Sweet dreams and war machines in pieces on the ground, yeah

Well, I've seen fire, and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend, yeah  
But I always thought that I'd see you again

And your gone, gone, gone, my baby  
Sweet times don't wait for me no more  
I can't go on living without you by my side
