

# The Last Time

Badlands

Love, love love love

Oh my sweet, young child  
Livin' heartache alone  
Pictures cry on the wall

Whispered sins, never `prise me to fall  
Now you're twistin' it all

Wasted days are bringin' me down  
Oh girl I'm losin' you

Shattered dreams  
Spinnin' me `round  
Oh girl, what can I do

The last time  
I said I'm fallin' in love  
Girl, it's the last time  
I said I'm fallin' in love  
No, no, no, yeah

I remember that night  
And that very blind kiss  
You knew I'd never love on a lie

But time after time  
I'd be down on my knees  
Beggin' like never before

Wasted days are bringin' me down  
Oh girl, I'm losin' you  
Shattered dreams  
Spinnin' me `round  
Oh girl, what can I do

The last time  
I said I'm fallin' in love  
Girl, it's the last time  
I said I'm fallin' in love  
No, no, no, yeah

(Solo)

Girl, it's the last time  
I said I'm fallin' in love  
Yes, it's the last time  
I said I'm fallin' in love  
You know, it's the last time  
Baby, said I'm fallin' in love  
The last time  
I said I'm fallin in love  
No, no, no

Girl, it's the last time, yeah  
I said I'm falling for your love  
Last time for love
