

# Welcome Me To Your World

Badly Drawn Boy

I don't know where this began  
Don't know how it will end  
And another day gone  
Face to face with the truth  
And another new day  
Tell me how does this end

If you welcome me to your world  
If you welcome me to your world  
I won't throw it all away

If you welcome me to your world  
If you welcome me to your world  
I won't throw it all away

And if you need me now  
I'd do anything, just say  
That you need me now  
It would mean everything

And if you need me now  
I'd do anything, just say  
That you need me now  
It would mean everything

And if you need me now  
I'd do anything, just say  
That you need me now  
It would mean everything

And if you need me now  
I'd do anything, just say  
That you need me now  
It would mean everything

If you welcome me to your world  
If you welcome me to your world  
I won't throw it all away
