Interstellar

Badshah

Yeah, yeah, yeah, yeah yeah
Chashme laga ke rakhun circle mere dark hain
Tere ghar mein kamre hain
Mere ghar mein park hain
Indie Pop revolution kiya phir se spark hai
Mit nahi paayega chhoda aisa mark hai

Teri bandi ki peeth par
Meri lambo ki seat par
Saari raat bandi teri loop pe laga ke rakhi
Subah 5 baje phir se kehti ke repeat kar (wooh!)

Kya kya hi karun main poori duniya hai peeche
Kahaan jaake marun main?
Sareaam khulle aam karun main ayyashi
Jalne walon ko aur jalaake karun main
Mota hoon phir bhi teri bandi ko lagun appealing
Moti jeb, moti chain, moti meri dealing
Ek din bas aise hi jaake Rolls Royce le li maine
Launde lete reh gaye feeling

Launde puche scene kya hai?
Maine bola on hai
Launde puche competiton?
Maine bola gone hai
Launde puche Bandiyan?
Maine bola bomb hain
Launde puche set hai kya?
Maine bola zone hai

Launde puche scene kya hai?
Maine bola on hai
Launde puche competiton?
Maine bola gone hai
Launde puche Bandiyan?
Maine bola bomb hain
Launde puche set hai kya?
Maine bola zone hai

Kiya kitne kuch phir bhi mila nahi credit
Bolunga main sab sach bina koi edit
Kaamyaabi cocaine hai to main hoon addict
Iss saal ek hi motto motherfucker lets get it
Jaise haq ho mera ghalti se jo diya
Wapas fuck do mera
Haraaya jo bhi mere saamne aaya
Naam Khabib koi rakh do mera

BadBoyShah banda unbeatable hai
Financially stable hai
Mentally unstable hai
Main aur mera phone dono ek jaise ho gaye hain
Dono unreachable hai
Inke gaane saare same lagte hain
Inke gaane saare lame lagte hain
Jis fame ke piche launde ye pade hain
Hum subah subah tatti mein wo fame hagte hai

Launde puche scene kya hai?
Maine bola on hai
Launde puche competiton?
Maine bola gone hai
Launde puche Bandiyan?
Maine bola bomb hain
Launde puche set hai kya?
Maine bola zone hai

Launde puche scene kya hai?
Maine bola on hai
Launde puche competiton?
Maine bola gone hai
Launde puche Bandiyan?
Maine bola bomb hain
Launde puche set hai kya?
Maine bola zone hai

Zone hai... zone hai...
Silent pe phone hai
Tu kaun hai?
Main don hoon
Tu kaun hai?
Sab maun hai
Silent pe phone hai

Karun taaron ki sair
Dharti pe naa hai pair
Somebody tell her
I'm Interstellar!

Karun taaron ki sair
