

Kya Kehte Ho

Badshah

Tere saath nahi koyi
Baby I'm alone too
Teri aankhein mujh pe hain

Got my eyes on you
I don't wanna party
You don't wanna stay
Chaahti to tu bhi hai
But you don't wanna say

Lagta hai moment hai bilkul sahi
Baahar khadi Maserati nayi
Teri saheli thi woh bhi gayi
woh bhi gayi...

Kya kehte ho, kya kehte ho
Kya kehte ho, kya kehte ho

Kya kehte ho, kya kehte ho
(Ho...)
Kya kehte ho, kya kehte ho

Waise baby mera koyi type nahi but
Lagti tu mujhe mere type ki
Agli line tujhe dekh kar type ki
Already badi hype baby teri hype ki

Baby main bhi thora
Swaggy, swaggy, swaggy
Balenciaga ka jacket
Baggy, baggy, baggy
I'm a little bit
Braggy, braggy, braggy
Tu toh minute'on ki game jaise
Maggie, Maggie, Maggie...

Galat fehmi na rakhna koyi
Tera deewana main bilkul nahi
Tujhko bhi main chahiye hu abhi
Haan haan abhi

Kya kehte ho, kya kehte ho
Kya kehte ho, kya kehte ho

Na mujhe chahiye tera number na Insta
Na mujhe chahiye tera Snapchat
Na mujhe chahiye koyi if, no, may be
Na baby baby I won't have that

Na mujh mein hai itna sabar
Na banna chahoon main tera lover
Just wanna know
If you wanna leave with me right now,
Right now

Kya kehte ho, kya kehte ho
Kya kehte ho, kya kehte ho
