Tabahi

Badshah

Choole tu toh hoti tabahi

Paani se zyada pyaas hai teri
Halat kya kar di tune meri
Aake bhar le mujhko baahon mein
Saansein nikal na jaae meri

Dilruba meri, mehbooba meri
Aankhon mein teri, dil mera dooba

Baaki kuch na deta dikhai,
Zulfien jab tune girayi
Dekhe tu toh ho jaaun pagal
Chhule tu toh hoti tabahi

Aaankhon mein kaise kasak hai
Mujko bas teri sanak hai
Parwane bhi dete gawahi
Chhule tu toh hoti hoti tabahi

Chhoole tu toh hoti hoti tabahi
Chhule tu toh hoti hoti tabahi

Kab tak karun main tere tarle
Jo bhi karna chahti hai karle
Duniya marti firti hai hum pe
Tu bhi thoda thoda toh mar le

Oh, mere sanam, ab nikle hai dum
Ye tere karam,
Marne se bas itna sa door hun main

Kuch bhi nahi, chaand aur sitare
Chehre ke aage tumhare
Tujhse door reh ke bhaliai
Chhule tu toh hoti tabahi

Sar pe bas tera junoo hai
Tu aafat, tu hi sukoon hai
Parwane bhi dete gawahi
Choole tu toh hoti hoti tabahi
Chhule tu toh hoti hoti tabahi

It's you boy!

Dilruba meri, mehbooba meri
Aankhon mein teri, dil mera dooba
