Badshah

Jab tu nahin tha yahan toh gham nahi tha
Aadat teri lagne tak sab kuch sahi tha
Aaya tu zindagi mein banke sitam sa
Haan ik sitam sa

Ik tere pyar ne aise diye zakham
Na hi to jee sake, na hi mare hai hum
Ik tere pyar ne aise diye zakham
Na hi to jee sake na mare hai hum
Ik tere pyar ne...

Jis din pehli baar dekha tujhko
Kosun us din ko main
Kyun ladte ho
Iska jawab doon kin kinko main
Aankhein chehre mein dhas gayi hain
Koi raunak nahi
Lagta hoon psycho
Milta hoon jin jinko main

Choti choti baat pe ladne ka mann kare
Jis se bhi milun main
Jhagadne ka mann kare
Rehti ek anxiety si
24 ghante marne ka mann kare
Kyun hai itni gandagi
Naa tujhko pata, na mujhko pata
Kuch bhi bacha hai kya
Tere mere bich mein
Tu ye mujhko bata

Main tujhse pyar karna chahta hoon
Par aur nahin ho pa raha
Aankhein sookh gayi hain meri
Aur nahi ro paa raha

Chaahata hoon ke aansu aayein
Aane band ho gaye hain
Tujhko jaate the jo raste
Saare band ho gaye hain

Ladna bhi main chahta hoon
Khaa ke kehta hoon kasam
Iss bahane apne mein
Kuch toh rahega kam se kam

Tu mujhko gaali de
Mujhpe chillaye mujhpe cheekhe
Tu ladke ghar se baahar jaaye
Main aaun tere peeche

Whatsapp pe mujhko aur
Meri family ko block kar
Mujhe gandi gandi baatein bol
Khud ko room mein lock kar

Main khadkhata rahun darwaza

Aur tu khole na
Main kholne ko bolta rahun
Aur tu kuch bole na

Tune ye kiya toh
Main ye kar lunga, hum chillayein
Dono ko ik dooje ki phir
Galtiyan hum ginvayein
Thak kar phir rote rote rote
Dono so jaayein
Kyun na hum ik dooje se
Phir anjane ho jayein

Chhoti chhoti baatein ab
Andar se khaane lagi hai
Jaan meri ab mere
Andar se jaane lagi hai
Dono mein negativity
Har din aane lagi hai
Pehle pyar aaya karta tha
Ab ghinn aane lagi hai
Pehle pyar aaya karta tha
Ab ghinn aane lagi hai
Pehle pyar aaya karta tha
Ab ghinn aane lagi hai

Ik tere pyar ne aise diye zakham
Na hi to jee sake
Na hi mare hain hum

Ik tere pyar ne aise diye zakham
Na hi to jee sake
Na hi mare hain hum
Ik tere pyar ne...
