Pull up with the girls, so let's go (Let's go)

Calling in the chaos, let's go (Let's go)

Take it, gotta breathe, in breathe out

Cut to the chase, let's go

(Bang) Breathe in, breathe out

(Bang) Breathe in, breathe out

(Bang) Got your mind in a tight grip

It's about to cut off, ha

Breath, catch your breath

Zoom gotta zoom

Breath, catch your breath

Breathe in, breathe out, breath

Breathe in, breathe out, breath

Got your mind in a tight grip

It's about to cut off, like yo

You know what time it is

We're B.V, you can't handle this, yo

Heard we're savages

What we need We snatch it up real quick, yo

I'll show you, how to do this right

Click-clack, step aside, one two, that's right

Whoop-whoop, making noise

Like an ambulance

You can't even imitate  
You can't handle us

Pull up with the girls, so let's go (Let's go)  
Calling in the chaos, let's go (Ha)  
Got your mind in a tight grip  
It's about to cut off, ha

Breath, catch your breath  
Zoom gotta zoom  
Breath, catch your breath  
Breathe in, breathe out, breath  
Breathe in, breathe out, breath  
Got your mind in a tight grip  
It's about to cut off, like

No, you don't wanna do this  
Don't waste my time  
If you ain't ready, just step aside  
Who this, we cross the line  
We break the mold, but we ain't wrong  
Your mind's all blank, blank, blank  
Watch us, we're flying high, high  
Let's shake things up, do it right  
Flip your logic around  
We take it up, up

Pull up with the girls, so let's go (Let's go)  
Calling in the chaos, let's go (Ha)  
Got your mind in a tight grip  
It's about to cut off, like

Breath, catch your breath  
Zoom gotta zoom  
Breath, catch your breath  
Breathe in, breathe out, breath  
Breathe in, breathe out, breath
