She got her back up in the air  
And she don't even care  
I'm throwing money everywhere  
It's a party over here  
Aye tell that girl  
Gon' back it up, gon' back it up, on me  
Gon' back it up, gon' back it up, mami

If you ain't down for the cause then I'm on to the next  
Put that back in reverse  
Put that back to some work  
Arch that back till it hurts  
You say you bad well I'm worse  
Let's roll to my crib and we can blow on some purp
