

# Slip N Slide

Baeza

You know what it is  
B.A.E.Z.A  
Yeah, yeah, yeah  
Yeahee yeah. Oooh  
Yeeeeeah, yeeeeah  
Yeah, yeah, yeah  
Yeahee yeah. Oooh  
Yeeeeeah, yeeeeah

What you wanna do?  
I got time and pleasure  
Spend it all on you  
And you'll love my drive  
Got you feeling like a flight for two  
And you feelin' high  
Cause a nigga know what to do  
Ha, lemme bite yo' lip  
Lemme kiss yo' neck  
Lemme grab yo' hips girl  
Yo' body's tight  
And that mood is right  
Think you know what we about to do tonight, uh

Put-Put-Put it down on you  
Take yo' panties off so I can see that view  
I'mma do you right  
I'mma eat that too  
And I swear girl I'mma have you feeling brand new  
When I do the things I do  
When I get on top of you  
I'mma test yo' vocals up and I'mma have you singing "Oooh!"  
When I do the things I do  
When I get on top of you  
I'mma test yo' vocals up and I'mma have you singing "Oooh!"  
Girl, you know it's nothin'  
Baby girl I ain't fronting  
I can tell you really want it  
So why don't you get up on it, on it  
You can ride, then slip and slide  
You can ride, then slip and slide  
You can ride, then slip and slide  
You can ride, then slip and slide

Baby stop playin'  
I hit it where you layin'  
And you ain't had it like this, ha!  
I'm just saying  
And once you get me started  
I promise I ain't stoppin'  
Until you tap out baby, cause you ain't got an option  
Eat you like a toppin'  
And then I do you like my beats  
I keep that shit knockin'  
I get it on and poppin'  
I keep that thang rockin'  
I've had enough talking...  
Lay back and just watch me. Ha!

Put-Put-Put it down on you  
Take yo' panties off so I can see that view  
I'mma do you right  
I'mma eat that too  
And I swear girl I'mma have you feeling brand new  
When I do the things I do  
When I get on top of you  
I'mma test yo' vocals up and I'mma have you singing "Oooh!"  
When I do the things I do  
When I get on top of you  
I'mma test yo' vocals up and I'mma have you singing "Oooh!"  
Girl, you know it's nothin'  
Baby girl I ain't fronting  
I can tell you really want it  
So why don't you get up on it, on it  
You can ride, then slip and slide  
You can ride, then slip and slide  
You can ride, then slip and slide  
You can ride, then slip and slide  
Yeeeah!  
You know its nothin'  
Baby girl I ain't fronting  
I can tell you really want it  
So why don't you get up on it, on it  
(Yeah, yeah, yeah!)  
You can ride, then slip and slide  
You can ride, then slip and slide  
You can ride, then slip and slide  
You can ride, then slip and slide  
Yeah, yeah!
