Relax it slow down baby grindin' don't rush it, don't rush it tonight baby we timeless [x2]

Slow down, (just slow down) ride it

(Hol'up baby let me do my thang)
and I be goin, and I be goin, and I be goin, and I be goin, and I be goin, and I be goin, and I be goin

I told her "Leave that g-string on"
Ima pull it to the side
put that ass in park
and Ima put this stick in drive
spread them legs apart

I'm the best she ever had and I ain't ever lied
I'm a fool with it, know what to do with it
She said "I ain't your girl but I only let you hit it"
I'm like put that thing on me baby

Ima call you up tomorrow so you can put that on me maybe
trace yo body with my hands
you strip down and then you dance for me
we role play then you tell me you got plans for me
Uh, you hit that crazy little stance for me
then we sweat it out like every time you put yo hands on me

Slow down, (just slow down) ride it
baby just slow down (slow down) ride it
(Hol'up baby let me do my thang)
and I be goin, and I be goin, and I be goin, and I be goin, and I be goin, and I be goin, and I be goin
