Ungrateful

Baeza

Thinking that you hot
Yeah, I know you got it
But you know I'd die for you
Girl, you need to stop it
Baby, you're the one
Baby, you're the one for me
But you wanna play
Like you ain't got no love for me
Baby you're ungrateful...
So ungrateful...
Baby you're ungrateful...
So ungrateful...

I'ma tell you what it is
You can have it like this
Getting to close

Don't know how I let it go this far
Now I'm sitting at this bar telling myself
That I can do better
I can do better
Girl, I remember when you was down with whatever
Ooh yeah.. yea...

What happened to the girl that I loved
I would kiss, I would hug?
I miss everything about her
Remember when my kiss, and my touch
Used to be good enough?
We could sit around and talk for hours

Thinking that you hot
Yeah, I know you got it
But you know I'd die for you
Girl, you need to stop it
Baby, you're the one
Baby, you're the one for me
But you wanna play
Like you ain't got no love for me
Baby you're ungrateful...
So ungrateful...
Baby you're ungrateful...
So ungrateful...

You used to smile for all the little things
Now all you ever do is call me on my name
I feel the difference baby, it just ain't the same
Are you blind towards all of my pain?
I used to cater, when you needed me
But, please, take a look at how you're treating me
I can't stick around and see the end

What happened to the girl that I loved
I would kiss, I would hug?
I miss everything about her
Remember when my kiss, and my touch
Used to be good enough?

We could sit around and talk for hours

Thinking that you hot
Yeah, I know you got it
But you know I'd die for you
Girl, you need to stop it
Baby, you're the one
Baby, you're the one for me
But you wanna play
Like you ain't got no love for me
Baby you're ungrateful...
So ungrateful...
Baby you're ungrateful...
So ungrateful...
