

Open your Eyes take a look
If you follow I will lead the way
It's never 'same looking back
We don't wanna living yesterday
You and I allright
Because togehter where to?lock in? my key
Com on put your hand by hand
If?thoughts from? we can both to bee free

'cause you...
You make me feel...

Always when I see you darling
You up in the clouds of?both?
And maybe tonight you've got me so?then high?
That I think it's could be love

And tell me if you think sometimes
That the feeling gets too much
'cause baby tonight you got me so?mis stoked?
That I think it's could be love

Something I know now I see
It's only you who me?hold? me up from the days
?I don't show? we go together
You're the Fire sets my Heart ablaze

Want belong now I'm baby
Til the only term I have is you
And we stay every takes together
Is a step me are to feeling true

'cause you...
You make me feel...

Always when I see you darling
You up in the clouds of both
And maybe tonight you've got me so?then high?
That I think it's could be love

And tell me if you think sometimes
That the feeling gets too much
'cause baby tonight you got me so? mis stoked?
That I think it's could be love
