

## Back To Myself

Bag Raiders

Thought you were older  
Guess you were trying to  
Make me feeling younger  
When I fell for ya  
My father's older  
My mother [?]  
But I got my own life's problems  
And I have all of you

To myself  
To myself  
Back to myself  
To myself

(My, to my, to my, to my, to  
My, to my, to my, to my, to)

Brave [?]  
Addictions to coffee too  
Gotta believe in myself  
Will I be gone [?]?  
We saw it  
Told me you'll never leave  
I'll be a mess myself  
I'll be going back down

To myself (My, to my, to my, to my)  
To myself  
To myself  
Back to myself (My, to my, to my, to my, to myself)  
To myself

To myself (My, to my, to my, to my)  
To myself (My, to my, to my, to my)  
To myself
