

## Friend Inside

Bag Raiders

What you want me to do?  
When I feel the way I do about you  
What you want me to do?  
What you want me to say?  
When you open and leave to take your love away  
What you want me to say?  
I hate you want me to walk  
Is like a knife right in my back keep push de-deeper  
With a smile on your face  
And now you want me to be  
Full of positivitie with no way

And you should know  
When you're gone  
I feel like I been back into my own  
Gruls are gone  
Movin' on set, letining the lights to something boom  
When I feel like I better off alone  
Now you're gone  
I'll be alright  
Because I found a friend inside

What you want me to do?  
When im waking up alone without you  
What you want me to do?  
What you want me to say?  
That I'm holding by the memories of your face  
What you want me to say?  
What you want me to do?  
What you want me to say?

And you should know  
When you're gone  
I feel like I been back into my own  
Gruls are gone  
Movin' on set, letining the lights to something boom  
When I feel like I better off alone  
Now you're gone  
I'll be alright  
Because I found a friend inside
