

# I Need You

Bag Raiders

Lost in outer space  
I've been here for way too long  
There's no sign of life  
And no sign of you  
I'm floating in my bubble  
With no idea what's going on  
I'm on the dark side of the moon

And I need you  
Yeah, I need you

Fear is in my blood  
I hope I didn't go too far  
'Cause I can't face the storm alone  
Tried to be your pill  
I guess I couldn't play that part  
Please don't say you're never coming home

'Cause I need you  
Yeah, I need you

Don't leave me now  
Don't leave me now  
Don't leave me now  
Don't leave me now

Don't leave me now  
(Don't leave me now  
Don't leave me now)  
Don't leave me now  
(Don't leave me now  
Don't leave me now)  
Don't leave me now  
(Don't leave me now  
Don't leave me now)  
Don't leave me now  
(Don't leave me now)

'Cause I need you  
'Cause I need you  
Yeah, I need you

Don't leave me now  
Stay by my side  
I need you next to me  
I need you next to me all night  
Stay with me tonight  
Stay with me tonight  
I need you next to me  
I need you next to me all night

'Cause I need you  
'Cause I need you  
Yeah, I need you
