## **Spontaneity**

## Bahamadia

Straight outta the metro rhythm central I'm innovative at thee intro

cause I go slow moe but never slow poke but never joke dope but never

coke spits a riddle like flim loose with my lyrics like double jointed

limbs I twist and I bend common episodes past freak mode the mo $\ensuremath{\mathsf{nstrous}}$ 

bass beneath my pace be like morse code slash beep slash beep s canners

zero in to the system in your jeep I'm out there with cool Keit h and

Ced-Gee and De La inventors of my third seeing eye with futuris

vision I'm not among loony nut cakes on a mission I gets in whe re  $\ensuremath{\text{I}}$ 

fit in cause life's too short so you could all label me weirdo but yo

I know it's talent ...

Chorus Mad explosive spontaneity

At present I speak the new beginning when every other trend fel l short

so who'll be the shareholder of my kinda thoughts besides the s tudious

'cause the gludious max-amust lack ability to scoop all capabilities of

spontaneity within me depicted kicked it true vibes pops jazz b ut.

collaborated with the cool known flows but unfamiliar grooves s oothe

individual moods like soul food for thought ...

Rip here be dizz like everybody's on it cause eternal verbal ex pansion

keeps enhancing brain child's ability to like surpass a swarm of booty

ass no grass roots having ass mc's with luke warm degrees tryin g to

get hot like sun rays but save your jazz for Sun Ra you don't w ant to

spar my skills fill up thee outer limits like mars and you's a little

star I jacked your twinkle when I excelled well like Tinkerbell up to

higher levels and heights cerebral flow takes flight on airborn  ${\sf e}$  time

I'm a prime candidate of specimen in your walkman as you're lis tening

I make things happen cause I'm the captain keepin' this great . . . . .

Chorus Mad explosive spontaneity (repeat)
