

## Fair Share

Bahamas

What part was the hardest  
Knowing you were never the smartest  
Yes you were working as a sandwich artist  
As far as I know

I wish I could warn her  
Don't let them paint you in to no corner  
No don't ever sign a bad deal with warner  
That much I know

So where does all of that leave me  
I don't know  
I don't care  
I only want my fair share  
I said I only want my  
I only want my fair share

Was it even a question  
I only gave a simple suggestion  
I guess I'll never ever learn my own lesson  
But what do I know

Could you ever believe us  
If we turned right round and come back to Jesus  
I know that mother nature never did need us  
That much I know

So where does all of that leave me  
I don't know  
I don't care  
I only want my fair share  
I said I only want my  
I only want my  
I only want my  
I only want my  
I only want my fair share
