

## I Must Be In a Good Place Now

Bahamas

Wild apple trees blooming all around  
I must be in a good place now  
Sunshine coming through  
A rainbow coloured sky  
Paints pretty pictures in my mind

Oh what a good day to go fishing  
And see the sunset in the hills  
And think of my yesterdays and tomorrows  
And hope that you'll be with me still

Saw a butterfly and named it after you  
Your name has such a pleasant sound  
Love is all around and all I see is you

I must be in a good place now

Oh what a good day to go fishing  
And see the sunset in the hills  
And think of my yesterdays and tomorrows  
And hope that you'll be with me still

I saw a butterfly and I named it after you  
Your name has such a pleasant sound  
Love is all around and all I see is you

I must be in a good place now
