

Your mouth is perfect, I love to watch you talk  
Your hands feel too good, you've been around the block  
This predicament is an instrument  
For us to find some peace in this filament  
Lay there while you stare, I'll do whatever you want  
Ooh-ah

Ay, it's ok  
I'll be your Gameboy long as you enjoy me, it's ok  
I'll be a Gameboy, I am your Gameboy  
Ay, it's ok  
Dab pif 'cause you wanna play till the morning  
Ay, all day, I am your Gameboy, I am your Gameboy  
I am your Gameboy, I am your Gameboy

If you want to use me, go and use me up  
Drink me till I'm empty than I'll fill you up  
This predicament is an instrument  
For us to find some peace in this infinite  
Lay there while you stare, I'll do whatever you want  
Ooh-ah

Ay, it's ok  
I'll be your game boy long as you enjoy me, it's ok  
I'll be a Gameboy, I am your Gameboy  
Ay, it's ok  
Dab pif 'cause you wanna play till the morning  
Ay, all day, I am your Gameboy, I am your Gameboy  
I am your Gameboy, I am your Gameboy

I'll be so good to you  
You'll never leave me, I know  
I'll be so good to you  
You'll never wanna let go  
Lay there while you stare  
I'll do whatever you want

Ay, it's ok  
I'll be your Gameboy long as you enjoy me, it's ok  
I'll be a Gameboy, I am your Gameboy  
Ay, it's ok  
Dab pif 'cause you wanna play till the morning  
Ay, all day I am your Gameboy, I am your Gameboy  
I am your Gameboy, I am your Gameboy
