Hot Mess

Bahari

You got me fucked up
Since we fell in love
Now I must confess
That I'm a hot mess

Watch what you say
'Cause I might go crazy, might go crazy
I'm not insane
I was made this way, don't try to change me
What can I say?
I'm a basket case, and you can't save me
I'm not okay

Kinda like acid fallin' down
On the ground
You're the type that woulda never made my momma proud
But that only made me want you even more

You got me fucked up
Since we fell in love
Now I must confess
That I'm a hot mess
Little bit depressed
Probably should say less
Borderline obsessed
'Cause I'm a hot mess

Lil' baby know you gotta grip on me
Came in quick then dipped on me
Had me hooked after one hit on me

Slipped up, trippin' on the ground
Fallin' down
I'm the type that woulda made your momma so proud
And I never ever felt this way before
'Cause you really got me, really got me

Really got me fucked up
Since we fell in love
Now I must confess
That I'm a hot mess
Little bit depressed
Probably should say less
Borderline obsessed
'Cause I'm a hot mess

Don't want you less
I want you daily
I must confess
I'm goin' crazy
Might be a mess
But you can save me
Please tell me you will

You got me fucked up
Since we fell in love
Now I must confess

That I'm a hot mess
Little bit depressed
Probably should say less
Borderline obsessed
'Cause I'm a hot mess
