

## Jackie Kennedy

Bahari

It's hard to explain  
Don't know what I'm feeling  
So used to the same  
Don't know how to deal with  
Hearing your name  
And seeing different faces  
(Uh, I...)

And you know that I'm sorry  
Even though you were the one to go  
And I'm not making excuses but  
It's hard for me to let it go  
We lost a lifetime  
You and I, that's all I know  
We lost a life time

Dealt with the pain  
Didn't make a difference  
Waking up the same  
And sticking to my habits  
Of running away  
When I know I can't fix it

And you know that I'm sorry  
Even though you were the one to go  
And I'm not making excuses but  
It's hard for me to let it go  
We lost a lifetime  
You and I, that's all I know  
We lost a lifetime

I used to watch you fall asleep  
I'm laying here, can barely breathe  
I miss the way you'd laugh at me  
No goodbye, no apologies

You and I  
You and I  
You and I  
We lost a lifetime

We lost a lifetime  
You and I, that's all I know  
You and I
