

Keep Up

Bahja Rodriguez

Pretty face with no make up
I don't fuck with no fake hoes
Count money soon as I wake up
Might blow a thousand just because
I don't got time to lay up
Focused on my paper
Hell nah we can't link up
Yeah yeah yeah yeah

Now I got my bag up
Now I got my cash up
Summer coming I'ma act up
Countin' commas I'ma add it up
Yeah
Hair long
Yeah I'm bad as fuck yeah
Been doing this and they can't catch up

Ooh I'm bossy bossy
That's why he keep on callin calling' me
Ooh I'm a trending topic
She wish she could just keep up with me

Take me a flight to the beach
Bathing suit on what that mean
I do whatever I please
I do whatever I think of
I got the racks on me
He too attached to me
Might put him on it's easy
You know I gotta do me
Yeah

That's why I do what I please
Yeah yeah
That's why I gotta do me yeah yeah
Take me a flight to the beach
Bathing suit on what that mean
I do whatever I please
I do whatever I think of

I just caught my own vibe yeah
Jet lag from my flight yeah (ooh aah)
Shop wherever I go
Tags all on the floor (yeah)
Loosing me that's a no no

I 'ont even be flossin'
Ballin' like I'm spalding
Throw money out
It's all in
I see your girl
She stalkin' me
And you ain't even my problem
Don't be mad you lost me

Ooh I'm bossy bossy

That's why he keep on callin calling' me
Ooh I'm a trending topic
She wish she could just keep up with me

Take me a flight to the beach
Bathing suit on what that mean
I do whatever I please
I do whatever I think of
I got the racks on me
He too attached to me
Might put him on it's easy
You know I gotta do me
Yeah

That's why I do what I please
Yeah yeah
That's why I gotta do me yeah yeah
