

## Necessary

Bahja Rodriguez

You can catch me moving with my migos like ¿Qué pasa?  
If you ain't tryna ball, then you need to change your roster  
Catch me on my worst side, nah never  
Guess how a diamond shine bright, it need pressure  
And we gone get it everyday with no problem  
And yeah I hear the other side but I don't stress em  
Cause my niggas get it popping like a soda  
I know I shouldn't take it there but I wanna  
You know I gotta get it

By any means necessary  
You see me with my team, we legendary  
Don't take no handouts if you want it  
Better work for it  
Had to stay down, give up my time  
I put in work for it  
By any means necessary  
You see me with my team, we legendary  
Don't take no handouts if you want it  
Better work for it  
Had to stay down, give up my time  
I put in work for it

I'm living all my dreams  
I made em my reality  
Now everywhere I go, they say they proud of me  
Every function that I hit, they all surrounding me  
And you better watch yo nigga cause he clocking me  
Been there, did that, had to let them know  
Been bout this life, this shit ain't for show  
You ain't front row so you'll never know  
Like how did I get it?  
Or how I keep winning?  
You all in yo feelings, I know

By any means necessary  
You see me with my team, we legendary  
Don't take no handouts if you want it  
Better work for it  
Had to stay down, give up my time  
I put in work for it  
By any means necessary  
You see me with my, we legendary  
Don't take no handouts if you want it  
Better work for it  
Had to stay down, give up my time  
I put in work for it

You know I play the pitcher like a ball game  
If you ain't talking pesos, off my line like ánde  
Who ain't important?  
Who really checking the score?  
Been in first but still down enough  
Bring it through in the fourth

By any means necessary  
See me with my team, we legendary

Don't take handouts  
Better work for it  
By any means necessary  
You see me with my team, we legendary  
Don't take no handouts if you want it  
Better work for it  
Had to stay down, give up my time  
I put in work for it
