Bottle It Up

BAILEN

If you're feelin' somethin' then you better bottle it up
If you're feelin' somethin' then you better bottle it up
If you're feelin' somethin' then you better bottle it up
Bottle it up, better bottle it up

Shared all your worries, but don't leave 'em hangin' on me
Out in a hurry, please don't look back when you leave
Hold on, hold on, why do you, baby?
Hold on, hold on

Spare all my troubles and just for a moment, I'm free
Wash off that feelin' like it never happened to me
Hold on, hold on, why do I, baby?
Hold on, hold on

'Cause it's you, not me, pretendin' we're something more
But we're nothing more
Anyway, now we are through, don't want any more from you
If you're feelin' somethin' then you better bottle it up
Better bottle it up, better bottle it up
If you're feelin' somethin' then you better bottle it up

Now that we've learned that the truth carried more than a lie
You leave the room so that I can walk ten feet behind
Hold on, hold on, why do we both
Hold on, hold on?

'Cause it's you, not me, pretendin' we're something more
But we're nothing more
Anyway, now we are through, don't want any more from you
If you feel somethin', I don't wanna know
I don't wanna know
If you're feelin' somethin' then you better bottle it up
If you're feelin' somethin' then you better bottle it up
If you're feelin' somethin' then you better bottle it up
Bottle it up, better bottle it up

'Cause it's you, not me, pretendin' we're something more
But we're nothing more
Anyway, now we are through, don't want any more from you
If you're feelin' somethin' then you better bottle it up
Better bottle it up, better bottle it up
And it's you, not me, pretendin' we're something more
(If you're feelin' somethin' then you better bottle it up)
(If you're feelin' somethin' then you better bottle it up)
But we're nothing more
(Better bottle it up, better bottle it up)
Anyway, now we are through, don't want any more from you
(If you're feelin' somethin' then you better bottle it up)
(If you're feelin' somethin' then you better bottle it up)
If you're feelin' somethin' then you better bottle it up
If you're feelin' somethin' then you better bottle it up
