

# Change Your Mind

BAILEN

You caught a flight  
Red eye runaway  
What are you trying to find on that side of the ocean?  
I bet my life  
On someone I might never know  
That's one sure way to lose when you play with emotion

It's always  
One foot in and one out the doorway  
Burn both ends cause you can't have it both ways  
And I can't change your mind  
No I can't change your mind

Would you sacrifice  
At least a part of you  
To live the kind of life that you're trying to believe in  
And we're burning the bells  
Down to bullets again  
Though we only stand to lose in a war of attrition

It's always  
One foot in and one out the doorway  
Burn both ends cause you can't have it both ways

And I can't change your mind  
No I can't change your mind  
No I can't change your mind

Oh if there's a way to feel the high your seeking  
Without risking everything you know  
If there's way to feel the love your needing  
Without running with both eyes closed  
Well I want to know  
I want to know

Will you change your mind?  
Will you change your mind?  
(I'll change, I'll change for you)  
Will you change your mind?  
(I'll change, I'll change for you, for you)  
Will you change your mind?  
Will you change your mind?  
(I'll change, I'll change for you)
