

Rose Leaves

BAILEN

Rose leaves when the rose has gone
Fragrance when the flower dies
Oh, what tricks God plays on us
When the end seems to blind our sight

And you say you don't love me
You don't love me at all
And you say you don't need me
You don't need me at all

Echoes when the sound has gone
Ghost of a melody
Let me learn to let things go
Just to keep them in my memory
In my memory

And you say you don't love me
You don't love me at all
And you say you don't need me
You don't need me at all

Don't let it go, cause we both know that
You try to hold back the tears when you say that you
No no no, you don't love me
No, you don't love me at all
And you say you don't need me
You don't need me at all
You don't need me at all
